*****May Set Guinness Book of World Records for Largest Bake Sale!*****

MOVEON MEMBERS TO “BAKE BACK THE WHITE HOUSE”

“Bake Sales for Democracy” To Defeat Bush Contrasts With President’s Big Money Donors

***“Brownie, \$1. Cookies, \$2. Defeating George Bush...
Priceless.”***

Washington, DC — MoveOn members in towns across the country will hold a “Bake Sale for Democracy” fundraiser this Saturday to benefit MoveOn PAC’s effort to unseat the sitting President. The event, which could set a Guinness World Record for “World’s Largest Bake Sale,” will consist of 1,000 simultaneous local bake sales taking place nationwide, hosted by more than 10,000 MoveOn bakers.

The event is meant to contrast with the Bush campaign’s \$95 million worth of \$2,000 bundled checks from high-rolling CEO’s and lobbyists, such as drug industry top gun, Pfizer CEO and Bush “Ranger,” Hank McKinnell. McKinnell alone has pledged to raise and bundle \$200,000 for the Bush campaign.

“Baked goods are tastier in battleground states!”

A web page with a map of bake sale locations around the country can be viewed at <http://action.moveonpac.org/bakesale/>. Check back on Saturday, when MoveOn bakers will upload photos of their bake sales throughout the day.

Excellent visuals and baked goods will be provided.
